## All Permits Issued & Fees Report - Detail by Permit Type Then by Date

01/01/15 to 12/31/15

| Permit# | Date Issued | Site Address | Permit Count | Valuation | Revenue | Base Fee (Future) | Plan Check | State Surcharge | SAC Units | SAC Fees | Mail In Fees | Misc Fees | Total Fees |
|---------|-------------|--------------|--------------|-----------|---------|-------------------|------------|-----------------|-----------|----------|--------------|-----------|------------|
|---------|-------------|--------------|--------------|-----------|---------|-------------------|------------|-----------------|-----------|----------|--------------|-----------|------------|

**NOTE: Revenue Fees Include:**

Advanced Plan Check, Mail In & Misc Fees

When Figuring Month or Year End Reports - Deduct Total of Advanced Plan Review Fees from Valuation & Permit Count. (Until Reporting Changes)

Valuation for Same Permit Reported Again When Actual Permit Is Issued.

**No Pass Through Fees Are Included In Revenue or Valuation Amounts** - (This Happens Automatically)

Some Of Which Could Be In Misc or SAC Fees, They Are Not Revenue - Because The Money Is Simply Collected & Passed Forward.

Examples: SAC Fees, Escrow Fees, Wayzata Connection Fees, Long Lake Connection Fees

**NEW MAY 2010:**

**Zoning Permits (New Category)**

These permits are no longer reported with the building permits if the accessory building or structure is **less than 120 square feet.**

If the accessory structure is **more than 120 square feet**, they may be reported under the building permits.

As of May 2010, they will now be tracked separately under this new zoning category and tracked as a separate category.

**Accessory buildings or structures could include:** detached decks, platforms, sports courts, entrance monuments, gazebos, sheds or pergolas.
