STONEBAY OF ORONO BREAKS GROUND

New senior living option in West Metro

ORONO, Minn. — Welcome Home Management recently broke ground on its newest senior residence, Stonebay of Orono Senior Living. Located at Wayzata Boulevard and Old Crystal Bay Road North, Stonebay will open in the summer of 2020 and offer a range of living options for seniors.

The new residence will include 24 Independent Living, leasing now, 24 Assisted Living and 24 Memory Care with customized services, dependent on individual needs. The building and grounds will feature an outdoor gazebo, fine dining, library, rooftop patio, salon, underground parking, movie theater, fitness room and more.

“We’re pleased to offer customized care in a beautiful setting that reflects the Minnesota lake culture,” said Dean Bloemke, Founder of Welcome Home Management. “Seniors who have raised their families in the western suburbs around Lake Minnetonka will be able to experience the finest in senior living and still stay within their own community. Stonebay of Orono will allow them to live in comfort and safety while staying close to their doctor, friends and families.”

“We chose to partner with Welcome Home Management because of their commitment to creating a warm, caring and personal atmosphere in their senior communities,” said Sanjeev Mangalick, one of the owners. “When we looked at various management companies, we were impressed with Welcome Home’s professionalism. But what really sold us was the personalized approach they take with the men and women who live in their communities.”

Based in Hutchinson, Minnesota, Welcome Home Management currently operates nine senior residences in Minneapolis and greater Minnesota.
